Secondary Schools

KEY STAGE 3 (Years 7, 8 & 9)

- Leadership, Bravery and Technology: Object Handling
- Plot the Battle of Britain
- Lace Panel Enquiry

Leadership, Bravery and Technology: Object Handling

Through engagement with the museum's unique handling collection, students will investigate the important roles of aircrew and women of the WAAF (Women's Auxiliary Air Force) during the Battle of Britain.

SUBJECTS: History (Battle of Britain, Women at War)

Plot The Battle of Britain

Through plotting an incoming enemy raid on a replica Filter Room map, students will learn about the importance of technology, teamwork and the roles of women in the Battle of Britain.

SUBJECTS: History (Battle of Britain, Women at War)
Geography (Maps)

Lace Panel Enquiry

Through exploring the symbolism within our impressive Battle of Britain lace panel, students will learn about the Battle of Britain and develop their historical enquiry skills.

SUBJECTS: History (Historical enquiry skills)
